

Pedestrian Bridge Detour on Shelby Bottoms Greenway

Pedestrian Bridge #5 on Shelby Bottoms Greenway, near the Shadow Lane Connector Trail, is temporarily closed due to structural damage sustained from flooding this spring. The bridge will be closed through summer.

Public safety is of the highest priority. We also are protecting the sensitive habitats of Shelby Bottoms. See below map for the TEMPORARY DETOUR around the bridge closure onto the UNPAVED Raccoon Den Trail. Be advised that you may encounter wet trail conditions. Use at your own discretion.
